CPD Credit: As an "External Provider" of CPD credit, the 2009 Excess/Surplus Lines NY Seminar is approved for 2.5 hours of CPD credit for Solicitors and Registered European Lawyers (Reference No: DCD/ESLC). The level of this program has been classified as intermediate/update.

NY CLE Credit: Under New York's approved jurisdiction policy, the New York Bar Association has adopted procedures to extend comity to jurisdictions whose standards meet its own standards. As an external provider of CPD through the SRA, New York attorneys may take NY CLE credit as a result of their attendance at the 2009 Excess/Surplus Lines Claims Association's NY Seminar for those sessions which are legal in nature and are at least 60 minutes in length. In order to claim credit for a program accredited by a New York jurisdiction, the attorney must retain for a period of four years: (1) documentation of the course or program accredited by the CLE agency of a New York approved jurisdiction, and (2) a certificate of attendance indicating the attorney's name, title, date and location of the course, the amount of credits, and categories of credit. Credit is calculated on a 50-minute credit hour in increments of no less than 25 minutes (.5). This course would be approved for 3.0 NY CLE credit hours in which 3.0 credit hours can be applied towards Skills, Practice Management, and/or Professional Practice. This course qualifies for both established and newly admitted attorneys.

Cancellation Policy:
 The cutoff date for refunds (Less a \$50 cancellation fee) is 5 business days prior to the conference and must be submitted in writing.
 Cancellation requests can be faxed to 732-920-1260.
